# FAQ

## What is LCS?

LCS is a tournament hosted by USA Softball of Sacramento to allow league night teams compete against other agency league teams.

## How do you qualify?

Make the playoffs in the Fall, Spring or Summer season.

## My team is not a tournament team. Why should we play?

Although it is a tournament format, this is designed for league night teams. We work hard with your league directors to ensure your team is matched with the same level of teams. We have National, American and Recreation levels. Depending on the level of play and # of teams we may make additional levels.

## Is there a prize?

Yes, we will award sweatshirts OR sublimated jerseys that you design with our vendor. Only players that played in the tournament will receive a jersey OR sweatshirt.

## How do I register my team?

Register with your league director. You will submit payment and a roster to them.
